

May Newsletter 2021

During May the children will be looking at 'In The Garden' '

We will be looking at what grows in the garden, who lives in the garden and what we do in the garden. We will try and name as many bugs as we can.

We will be going on a bug hunt, planting flowers and vegetables in the growing area and doing some bark rubbing

We will be playing with the mud kitchen and will also get the sand and water out in the garden.

Song This Month:

There's A Worm At The Bottom of Our Garden

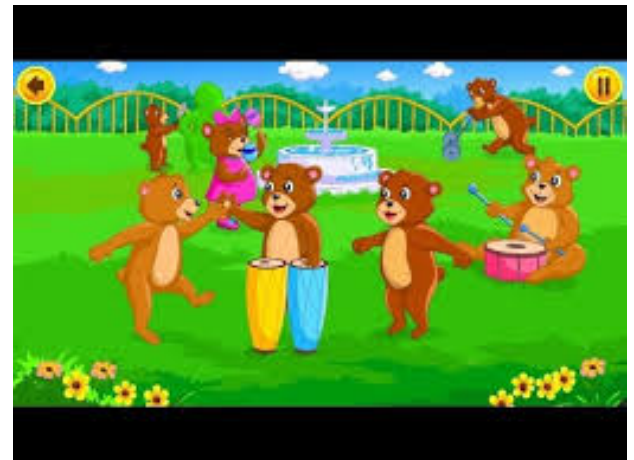

There's a worm at the
Bottom of my garden,
And his name is Wiggly .
There's a worm at the
Bottom of my garden
And all that he can do
Is wiggle all day
And wiggle all night
The neighbours say
What a terrible fright!
There's a worm at the
Bottom of my garden,
And his name is Wiggly Woo

Song of The Month for our Smaller People

*Round and round the garden
Like a teddy bear
One step, two step
Tickle you there!*

*Round and round the forest
Like a little deer
One step, two step
Tickle you there!*

Supporting Your Child At Home

Point out any wildlife that you see in and around your home or garden. Have a go at doing some bark rubbing with your child when out for a walk. Ask your child to demonstrate to you how to do it. This all helps with language development.

Our book this month is 'Super Worm'

Forward Planning

During June the children will be looking at 'In the Garden'. If you have any ideas or suggestions you would like your child to do, please feel free to inform a member of staff.

General Nursery News

School Leavers

Just a quick note for the parents of the children moving on to school. If you have any dates for school visits planned then please let us know as this would be the perfect time for you take your child's transfer booklet with you (Ellie and Laura are working hard on these as we speak). Also please can I stress the importance of the school leavers reply slip being returned as soon as possible with your child's leaving date. This is especially important if you require us for some childcare in September, as Badger Room is going to be pretty full.

Polite Reminder

Please can we politely remind you that we are still following our Covid plan. We have noticed recently that some children are starting to bring in toys from home and breakfast foods / snacks. Can you also ensure that your child comes into nursery with clean clothes that haven't been worn previously.

Outdoor Play

Please can we have outdoor coats and wellies each time your child attends so we can go out in the garden in all weather. Even our non walkers require outdoor clothing and footwear. We have red all in one suits for the children to wear to stop their clothes getting too muddy

We are Going on A Bear Hunt

On Tuesday 18th May the children will be going on an adventure and going on a Bear Hunt in the garden to see what we can see.

Teddy Bears Picnic:

On Wednesday 26th May we are having a Teddy Bear Picnic. Please could you bring along a teddy bear for that day so we can have a picnic in the afternoon with all the bear. We will remind you all nearer the time

New Summer Menu

We will be commencing our new Summer menu from w/c 17th May when Katie our cook returns from her holiday. The menu will be available on our website. We have swapped some of our puds to more summery ones

Extra Sessions / Holidays

If you would like any extra sessions over the summer please let us know as soon as possible as we will have limited spaces over the summer holidays .

Could you please inform us of any forth coming holidays dates or days off as this helps to staff the nursery accordingly over the summer period.

Dates for Your Diary For The Spring Term
