

## Brambles November Newsletter 2020

During November the children will be looking at 'Space and Fireworks'. The children will be baking Moon Rock cakes, playing with Alien gloop, junk modelling telescopes and painting their very own Aliens.

We will also be making paper mache planets and learning their names. We will be transforming our role play area into a Spaceship. The children will have to get changed into their space uniform (Astronaut space suit), put on their moon boots and fill out the spaceship log book!!

The children will be drawing and painting fireworks with chalk / paints and talking about the different colours and the importance of safety with fireworks!
